#### **EDUCATION**

- B-Tech in CSE (2022-2026)
   Aggregate Percentage 80.44 %
   (up to 5<sup>th</sup> semester result)
- HIGHER SECONDARY EXAMINATION (2022)

Aggregate Percentage - 76.83 %

SECONDARY EXAMINATION (2020)
 Aggregate Percentage - 84.57 %

#### CAREER OBJECTIVE

Aspiring software developer with a moderate foundation in Data Structures and Algorithms (DSA) and a passion for problem-solving. Seeking to leverage my proficiency in Java, C, C++, and Python, along with my experience in developing an Image Captioning Using Hybrid Model project, to contribute to a challenging and innovative technical environment. I am eager to apply my skills and grow as a professional in the field of engineering.
